Welcome

Today, decisions on health care do not have to be a seeming tug of war between your home and receiving quality care. You don't have to confront the issue of sacrifice. You don't have to forgo the value of family closeness.

Our agency has a fourfold mission:

- To provide access to high quality care to the community.
- Maintain the closeness of family ties.
- Provide a personal assistance which is a marriage of healing and treatment
- To keep our clients satisfied yet independent in their own homes.

Abien Home Care, Inc. knows you by heart. Over the years of sending assistance to various home situations, we have formulated services which are truly relevant to our client's needs. Our care solutions are always responsive to the specific case of our home. To set an appointment with us, please call us at - **703-200-3314.**

Our Services About Us

Abien Home Care, Inc. is owned by a Registered Nurse with over 12 years of nursing experience. Each care giver is licensed and proficient in CPR and with up-to-date criminal background checks. We are supervised and screened. We value a relationship with our clients based on mutual trust, respect and interdependence. We have grown in people and experience because we understand the substance of roles of each member of our team. We appreciate and we recognize. In return, our employees take excellent care of the families we serve.

Our team includes:

- Doctors
- Registered Nurses
- Licensed Practical Nurses
- Certified Nursing Assistants
- Home Health Aides
- Companion Care Attendants
- And our Clients and their loved ones.

Our services may be defined according to the needs of our clients. You may request for our service on an hourly basis, 24/7 or just on specific days of the week. We can arrange for the most helpful care solution which fits you. Our team members are also affiliated with several health institutions. In this way, we are assured that the care you receive are informed by the most recent care strategies.

"Caring with A Good Heart"

A free post hospitalization assessment and help with follow up care as needed. We accept most of the waivers and offer all the assistance you or your loved one may need in these areas:

Abien Home Care staffing representatives will be able to assist you and your family with the care and support that you need. Whether for a few hours/day or 24hrs/day, every hour will be full of attentive services and worry free for your care givers.

Take some time off and relax, bring some balance to your life, maintain your exercise routine and travel, knowing that we have you covered.

We are Insured, Bonded and Virginia Medicaid Approved Insurance. Private pay clients are also welcome at any time.

Become A Caregiver

We are currently searching for health caregivers who are passionate in serving others.
